

[Fragment 1: HR FAQ partial copy]

Q: How to request emergency leave?

A: Use HR portal → select “Emergency” → auto email to manager.

Q: Can leave be carried over?

A: Only sick leave (with MC). Annual leave resets yearly.

NOTE: some doc says 15 days, others 14 — check version.

[Fragment 2: Engineering note]

VirtuAI “Knowledge Assistant” prototype reranking module test.

Observation: Without reranker, context irrelevant 40% of time.

After reranker, precision improved. Need better embeddings.

Later: retriever returned outdated FAQ entry.

[Fragment 5: Office Announcement]

All staff to move to Tower 2 (12th floor) from 1 Aug.

Some HR forms still list Tower 1 — please correct in HR portal.

[Fragment 6: Random Slack Export Lines]

"VirtuAI HR" bot reply: “You have 18 days leave.”

actual rule: 14 base + 4 extra after 3 years = 18 total (so correct).

Other message: “Termination clause v2.4 still draft, ignore.”

End of Dump.
